FOR AN "ACCELERATOR WORKSHOP"
FOR MATH TEACHERS FOCUSED ON
**OBSERVATIONS AND
CONVERSATIONS**
FRIDAY, MAY 3RD, 2019
8:30 A.M. to 2:30 P.M.

Hillfield Strathallan College
Learn with Joy. Live with Purpose.

GOALS FOR THE DAY

Have attendees work in small groups with other math teachers, sharing their successes and obstacles with *Observations* and *Conversations* in their math classes.

Learn about the tools that others are currently using and discuss their pros and cons.

Attendees will hopefully leave with several tools and strategies for collecting, tracking, and recording *Observations* and *Conversations* that they can implement in their classes immediately.

COST: \$50 FOR AN INDIVIDUAL OR \$100 FOR A TEAM
(UP TO A TEAM OF 4, THEN \$50 PER ADDITIONAL PARTICIPANT)
